

Hyatt properties around the globe offer authentic travel experiences that allow guests to immerse themselves into the hotel's location. Here's a sampling of a few of the available experiences.

Alila Ventana Big Sur

The Falconry Experience at Alila Ventana Big Sur in California, pairs guests with Master Falconer Antonio Balestreri for an introduction to hawks, falcons and owls. Participants will see a flight demonstration, meet the birds, have photo opportunities, take a “hawk walk” (a short hike with a feathered friend) and more. The experience is available every Sunday and Friday at 1:30 p.m.

Alila Ubud

In Bali, at Alila Ubud, the Balinese Organic Culinary Masterclass teaches guests to craft a signature local dish alongside a resort chef. The experience starts at the local market to source ingredients before the class, held in the resort's Organic Garden. Participants learn more about Balinese dishes through spices, seasonings and herbs.
